Re: Application of Duke Energy Progress, LLC for Adjustments in Electric Rate
Schedules - Docket No. 2018-318-E

Dear Ms. Boyd:

On March 2, 2020, Duke Energy Progress, LLC (the "Company") filed its Annual Report on AMI Meter Deployment pursuant to Commission Order No. 2019-341 and included a request to terminate the required reporting. On March 30, 2020, the Office of Regulatory Staff ("ORS") filed a review letter ("Review Letter"). This matter is currently on the Commission's agenda for consideration during its business meeting scheduled for Wednesday, April 8, 2020.

This letter is to request that this matter be carried over to allow the Company time to prepare its response to the ORS Review Letter.

Kind regards,

Sam Wellborn
